ISSUE #9

HAPPY EASTER

Dental Expression is hoping that you are having a Great Spring. Give your teeth a "spring cleaning" this year. Take care of You and Your smile. Come see us so that we can keep your smiles looking bright and radiant.

Autism Awareness Month

The month of April celebrates "Autism Awareness" Autism is a complex mental and developmental disability that makes it difficult for most to socially interact with other people. This condition is close and dear to our very own Dr. Cory. Her son Cole is 5 years old and is diagnosed with Autism. We salute Harwood efforts in their "Opening Eyes to Autism 5K," on April 18th.

On April 4, 2014, Dental Expression is PROUD to celebrate our 6th month of serving the Mid-South. We would like to thank our family, friends and especially our patients. Thanks for all your prayers and support..!

World Health Day 2014

World Health Day is celebrated on April 7th every year to mark the anniversary of the founding of WHO (World Health Organization) in 1948. Each year a theme is selected that highlights a priority area of public health. World Health Day provides a chance for individuals in different communities to get involved in activities that can lead to better health. The topic for 2014 is vector-borne diseases.

Dental Expression is proud to accept many of the major dental insurances.
