We're Now Open!

Here at Dental Expression, PLLC, we are so proud to finally have our doors opened on November 4, 2013 to serve the public. We are excited to offer exceptional dental services to Memphis and its surrounding areas.

Meet the Staff

From left to right, our staff consists of...Mr. Quinton, Mr. Verrecco Martin, Cory Newsom-Broughton, DDS, AND Mr. Terrance Lee. Together we consist of over 20 years of experience in dental and customer care needs. Each Dental Expression staff member is dedicated to making each visit a wonderful one.

Office Blessing

Dental Expression would like to thank everyone that came was part of our "Office Blessing." There was plenty of food, fun, and fellowship.

Feature of the Month: Gift Cards

This month we would like to introduce our Dental Expression reloadable gift cards. Our gift cards can be purchased for any amount starting at \$25. They will make wonderful gift ideas for anyone this holiday season.
