The Dental **Expression** Newsletter

Issue #2

In this issue:

- What to expect from Dental Expression
- Meet the doctor
- What makes Dental Expression different?
- See how we have grown

What to expect from **Dental Expression, PLLC**

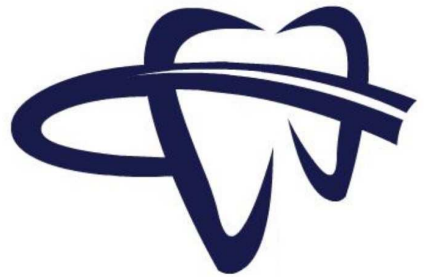

Dental Expression offers emergency and preventive dental care for you and your whole family. Our dental center will be open weekend and evening hours for those patients who may need more flexibility around their work schedule. We'll get your dental emergency taken care of promptly and with excellent customer care. Dr. Cory and her professional dental team offers compassionate service and is very gentle with both children and adults.

Meet the Doctor

Dr. Cory is a native Memphian who has been practicing dentistry for over **ten** years. She earned

her Bachelor of Science, from the University of Memphis and her doctorate from the University of Tennessee College of Dentistry. She has worked in both public health and private practices. Dr. Cory's wealth of experience has included dental treatment for children as well as adults.

What makes Dental Expression different?

Dental Expression will offer competitive flat rate pricing for our customers who lack dental insurance. Without sacrificing high quality dental care, we will make our patients feel comfortable, relaxed, and well cared for by offering spa-like amenities. When your appointment is over, you and your teeth will look and feel great.

See how we have grown!!

One month after construction...almost there!
